November rerun

There were 16 members present for our November meeting. Updates were given on the status of our 2020 club knife. Hydrick states that they are currently being built. We are running a couple of years behind due to COVID. At this time we anticipate they will be ready by the January or February meeting. This is the John Primble stockman. Hydrick continues to work on the 2021 and the 2022 knife.

The recent Bruce Voyles show in Pigeon Forge was very well attended. A lot of Palmetto members showed up there.

Mark your calendars and don't forget the date of December 7! It is not only Pearl Harbor Day but the date of our annual Christmas dinner! This event is always festive with plenty of delicious food. Bring some of your favorite dishes, a friend and join us for a great time. You will be glad you did, I guarantee.

But before we get to all that I hope you had a good and safe Thanksgiving holiday. I will be spending a few days with family at The Isle of Palms, SC. Haven't been there in several years so looking forward to that. After that, I will have Carotid artery surgery on December 2. I covet your prayers for this event.
