October Highlights

The meeting started off with unfortunate sad news of several losses of friends and family. Hydrick reported that our newsletter editor, Gene Ravan, lost his sister, Ethel Ravan Strange. She was 92 years young. We also lost long time member, Cecil Haynes. Cecil was 91 years old and was at one of our meetings a couple months ago. Cecil always wanted to keep his dues paid up! Sadly, Cecil's wife June passed away just 3 days before him. The Lord has His way of keeping us together! We extend our condolences to the families of those wonderful people.

Hydrick reported that Gary Bridwell of the Chattahoochee Knife Club was having a "hammer in" at his home on Lake Hartwell and members were invited to attend. He has this event every year at his home where attendees are able to hammer out a knife blade.

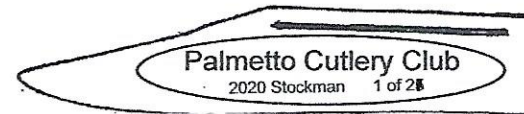

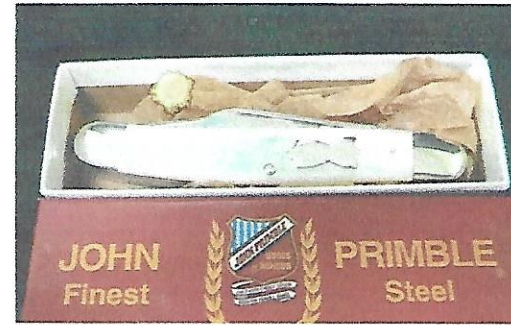

Hydrick also reported that Tony's Knives does not yet have our 2020 club knives. He is still waiting on them from the manufacturer. He reported also that the manufacturer has obtained dies for some older patterns. We hope to possibly get one of these old patterns for the 2021 or some future club knife.

This year is fast coming to a close. For some it has been a great year. Others may have struggled some, but isn't it great just to be alive at this juncture of our life!

Our next meeting is Tuesday, November 2, 2021 at 7PM. Greer recreation Center. See you there
